 - Increase communication between Collegiate and Grad.
 - Fundraise to help chapters get their missing regalia.
- If elected what would be your vision for the fraternity over the next two years?
 - Over the next two years, my vision would be to grow in the amount of active brothers in our province. I envision Assemblies with so many brothers running for positions that we have no choice but to do electronic ballots. I hope we continue to set an example of leadership that brothers will strive to meet.
- Why did you decided to become a candidate for your future office and why you are the best brother for the office(s)?
 - I am the best candidate for the position for several reasons. First, as Vice Satrap I've been able to serve as a member of all of the committees giving me the ability to be able to help committee chairs and the Vice Satrap. Ive also had a hand in planning 3 Province Assemblies, which is no easy task. Id be able to help assist with the planning of these assemblies hopefully lightening the load.
- What do you feel has been your greatest accomplishment as a Brother of Kappa Psi, a member of a committee, or leader?
 - My greatest accomplishment to me was as the Province Planning chair for the 2017 Winter Assembly. We had over 200 brothers attend and it was a great success. It really fostered my passion and made we want to continue being active in the fraternity.
- What goals and objectives do you envision yourself accomplishing as Satrap over the next year?

- Over the next year the major goal I see myself chartering the Mississippi Grad Chapter and also strengthening our Grad and Collegiate bonds and relationships.
- What is something new you would like to accomplish as Satrap over the next year?
 - The new goal I would like to accomplish this year is chartering the Mississippi Grad Chapter.
- What is one weakness at a collegiate, graduate, and/or province level of the Gulf Coast Province and how do you plan to improve this weakness via your position as Satrap.
 - We have a large number of brothers in the province but only a small percentage of brothers are active on a province level. I plan to improve this by joining together with other active brothers to promote to our collegiate brothers the importance of being active in our province.
- If not elected to position X by your fellow Brothers, how will you serve Kappa Psi at a collegiate, province, or graduate level over the next year?
 - If not elected I would like to be a committee chair/member. I'd be interested in being a member of the elections committee.
